

## **CURRICULUM VITAE**

Clint Bell, LVN, EMT-P

### **CAREER PROFILE**

I have worked in correctional health care for a total of 3 years. During my correctional experience, several duties and responsibilities were given to me. I was responsible for making decisions including treatment for minor injury or a major emergency with or without a physician on the unit. I have also worked with two EMS facilities for a combined 7 years. I have taken ACLS, Advanced BTLs, and the Prehospital Pediatric Provider course. I have worked offshore as a Fitness Trainer and Paramedic. During my offshore work, I was responsible for expanded scope such as antibiotic therapy, suturing, and other training that included H2S training and water survival. I have also worked with two nursing agencies as a contract nurse.
