

CURRICULUM VITAE

Constantine Khalil Saadeh, M.D., FACP

CURRENT POSITION

Principal investigator of Amarillo Center for Clinical Research, Ltd.

PREVIOUS

Boichemistry laboratory with Dr. A.A. Yunis and Dr. S. Abou Hhalil, University of Miami, Miami, Florida; November – December 1987. (Bioenergetics)

Immunology research laboratory with Dr. R.D. Rossen and Dr. F.M. Orson, VA Hospital, Houston, Texas; 1985 – 1987.

Rheumatology: Immunology laboratory with Dr. W. Emlen and Dr. W. Arend; June 1988 – January 1989.

PERSONAL

Birthdate: September 6, 1957

Birthplace: Beirut, Lebanon

Citizenship: U.S.

Visa Status: Permanent Resident #A26051890

Marital Status: Married – M. Celeste Gaylor

Children: Charles – DOB: July 28, 1988

McKenzie – DOB: December 10, 1992

EDUCATION

Undergraduate: B.S. Biology-Chemistry
American University of Beirut, 1982.

Medical School: M.D., American University of Beirut, 1982.

Signature

Date

CONSTANTINE KHALIL SAADEH, M.D., FACP

PROFESSIONAL TRAINING

Internship: Department of Medicine, University of Miami, Jackson Memorial Hospital, Miami, Florida; 1982-1983.

Residency: Department of Medicine, University of Miami, Jackson Memorial Hospital, Miami, Florida; 1983-1985.

Fellowship: Fellow in Clinical Immunology, Baylor College of Medicine, Houston, Texas; 1985 – 1987.

Fellow in Rheumatology, University of Colorado Health Science Center, Denver, Colorado; 1987 – 1988.

ACADEMIC APPOINTMENTS

Instructor: Department of Internal Medicine, University of Colorado Health Science Center, Denver, Colorado; June 1988 – January 1989.

Clinical Professor in Internal Medicine and Pediatrics, Texas Tech Health Science Center, Amarillo, Texas; 1998 – Present.

Clinical Professor in Microbiology and Immunology, Texas Tech Health Science Center, Amarillo, Texas; 1998 - Present

PREVIOUS APPOINTMENTS

Professor in Internal Medicine and Pediatrics, Regional Chairman of Internal Medicine and Residency Program Director, Texas Tech University Health Sciences Center. Department of Internal Medicine and Pediatrics, Amarillo, Texas; 1997-1998.

Medical Service Staff Physician and Chief, Allergy, Immunology, and Rheumatology. Veterans Administration Medical Center, Amarillo, Texas; 1989-1998.

CONSTANTINE KHALIL SAADEH, M.D., FACP

Professor of Microbiology and Immunology, Department of Microbiology and Immunology, Lubbock, Texas. Clinical Consultant: Immunology, section of the clinical laboratory service at Texas Tech. 1997-1998.

Associate Professor in Internal Medicine and Pediatrics, Texas Tech University Health Sciences Center, Departments of Internal Medicine and Pediatrics, Amarillo, Texas; 1991-1998.

Assistant Professor in Internal Medicine & Pediatrics, Texas Tech University Health Sciences Center, Department of Internal Medicine & Pediatrics, Amarillo, Texas; 1989-1991.

PROFESSIONAL ACTIVITIES

Acting Chief, Medical Service
VA Medical Center
Amarillo, Texas
October 1989 – December 1989

Assistant Professor
Department of Internal Medicine
Texas Tech University Health Sciences Center
Amarillo, Texas
January 1989 – November 1991

Regional Chairman, Department of Internal Medicine
Texas Tech University Health Sciences Center
Amarillo, Texas
November 1991 – February 1998

President, Allergy A.R.T.S./Amarillo Center for Clinical Research, Ltd.
Full-time, Active Private Practice and Clinical Trial Center
Amarillo, Texas
March 1998 – present

LICENSURE

New York, Florida, Colorado, and Texas

CONSTANTINE KHALIL SAADEH, M.D., FACP

CERTIFICATION

National Board of Medical Examiners – Part I 1978; Part II 1980.
ECFMG – 1981.
Federation of Licensure Examination – 1982.
American Board of Internal Medicine – 1985.
American Board of Allergy and Immunology – 1987.
American Board of Internal Medicine, Rheumatology Subspecialty – 1988.
Diplomate, American Academy of Pain Management – 1991.
Board of Internal Medicine—Added Qualifications in Geriatrics
(1992-2002).
Recertified Allergy and Immunology – 1997.
Recertified Rheumatology – 1997.
Recertified Internal Medicine – 1997.

HOSPITAL COMMITTEES

Northwest Texas Hospital:
Joint Medicine Practice Committee 1991 – present.
Vice Chief Medical Service, 1997 – 1999.
Pharmacy & Therapeutics Committee, 1995 – 1998.
Chief of Department of Internal Medicine, 2000 – 2001

VA Medical Center:
Pharmacy & Therapeutics Committee, 1989 – 1992.
Research & Development Committee, 1989 – 1998.

TEXAS TECH COMMITTEES

Chairman, Residency Evaluation Committee, October 1992 – present.
Member, MPIP Committee, 1991 – 1998.
Program Director, Residency Training in Internal Medicine, 1991 – 1998.
Member Faculty Appointments Committee, 1991- 1998.
Member, Tenure and Promotion Committee, 1994 – 1996.
Chairman, Faculty Executive Subcommittee, 1994 – 1995.

CONSTANTINE KHALIL SAADEH, M.D., FACP

PROFESSIONAL SOCIETIES

American Academy of Allergy & Immunology 1990 – present; Elected to Fellow status March 1993.

American Medical Association

Potter-Randall County Medical Society

American College of Rheumatology: Elected to Fellow status November 1992.

American College of Physicians: Fellow 1996 (after only one year of membership as an exception).

Southern Medical Association: Vice Chairman, Rheumatology Section 1994 – 1995; Chairman, Rheumatology Section 1995 – 1996d; Secretary, Medicine Section 1996 – Present.

ACHIEVEMENTS AT TEXAS TECH

Built a highly accredited residency program with passing rate on the boards of 100% in 1997.

Established Cardiology, GI, and General Medicine divisions.

GRADUATE STUDENTS

Debbie Cherry, Summers 1993 and 1995. Summer Fellowship Award from the American Academy of Allergy, Asthma, and Immunology on research in CR2 and immunology of aging.

FUNDING

Seed Grant, Texas Tech University Health Sciences Center, 1991, \$4950.00, “Complement Receptor 2 and B-cell function in Aging”.

Seed Grant, Texas Tech University Health Sciences Center, 1993, \$5920.00, “Complement Receptors and Activation in Aging”.

CONSTANTINE KHALIL SAADEH, M.D., FACP

HONORS

1. Dean's Honor List
American University of Beirut, Beirut, Lebanon
June 1982
2. Special Contribution Award
VA Medical Center, Amarillo, Texas
December 1989
3. Special Advancement Award
VA Medical Center, Amarillo, Texas
May 1990
4. Who's Who in Medicine for 1991
5. Outstanding Faculty Award, 1993
6. Scientific Exhibit Award for second place of the Texas Medical Association meeting in Houston, 1993. (Student exhibit for work on aging and the immune system. Refer to abstract #8.)
7. Sponsor of one best vignettes abstracts for ACP 1994 (Vibrio Vulnificus Septicemia and Hemochromatosis, by Sam Pati;, M.D.). Presented in Fall ACP meeting.
8. "Marquis" Outstanding Faculty award 1994, 1995, 1996
9. "Marquis" Who's Who in the South and Southwest 1995, 1996, 1997, 1998, 1999, 2000.
10. "Marquis" Who's Who in America, 1998, 1999, 2000
11. "Marquis" Who's Who in Health and Health Care 1996, 1997, 1998, 1999, 2000.
12. Best Doctors in America, 1996, 1998, (peer reviewed)

MANUSCRIPTS IN PREPARATION

1. Saadeh, C. Esophageal Dysfunction in Rheumatic Syndromes.
2. Saadeh, C. Hydatid Disease: A Clinical Review and an Example of Immunological Tolerance.
3. Saadeh, C. The Mangement of Urticaria and Angioedema.

LECTURES EXPERTISE

1. Grand Rounds in:
 - a) Antimalarials and rheumatic disease.
 - b) Scleroderma.
 - c) A new look into the pathogenesis of Systemic Lupus Erythematosus.
 - d) Juvenile Chronic Arthritis.
 - e) Congenital and Acquired Immune Deficiencies.
 - f) Aging and the Immune System.
 - g) Osteoporosis.
 - h) Complement.
 - i) B Cell activation.and many others.
2. Regional Conferences:
 - a) Malignancy and the Rheumatic Syndromes (Sept. 1989).
 - b) The Esophagus in Rheumatic Conditions (Aug. 1990).
 - c) Immunosuppressive Agents in Rheumatic Conditions (Aug. 1993).
 - d) Musculoskeletal Evaluation (May 1995).
 - e) Respiratory Diseases (1998).

CONSTANTINE KHALIL SAADEH, M.D., FACP

PROFESSIONAL DUTIES AT TEXAS TECH AS REGIONAL CHAIRMAN

- a) Faculty recruitment
- b) Residency recruitment
- c) Administrative appointments and division of labor (Dean's negotiations, managed care contracts, etc.)
- d) Departmental budget preparation
- e) Supervision of research activities as well as personally conducting basic and clinical research
- f) Teaching and rounds with residents and students on the ward
- g) Didactic teaching conferences to residents and medical and graduate students
- h) Established and actively running clinics in rheumatology, allergy, and immunology
- i) Faculty development and assistance in scholastic activities of residents
- j) Policy development and administration in accordance with the residency review committees and ACGME
- k) Supervision of clinical and teaching activities in the two main hospitals: Northwest Texas Hospital and veterans Affairs Medical Center
- l) Miscellaneous: Dean's committees, hospital negotiations, resident counseling, etc.

Revised: July 2002

Constanine Saadeh, M.D., FACP
